Participate to the web-conference: speak, share

The screenshot shows the Adobe Connect interface for a meeting titled "Inventory_guidance (Sharing)". The interface includes a top menu bar with "Meeting", "Layouts", "Pods", "Audio", and "Help". Below the menu bar is a toolbar with icons for audio, video, and user actions. A context menu is open over the "Raise Hand" icon, listing options: "Raise Hand", "Agree", "Disagree", "Step Away", "Speak Louder", "Speak Softer", "Speed Up", "Slow Down", "Laughter", "Applause", and "Clear Status".

On the left side, there are three panels: "Attendee List (1)", "Chat (Everyone)", and "Note". The "Attendee List" panel shows a list of participants, with "CNIDE Webconf" listed under "Hosts". The "Chat" panel is empty. The "Note" panel has a text area and a toolbar with icons for text formatting.

On the right side, there is a "Share" panel with a "Share My Screen" button. A "Paramètres Adobe Flash Player" dialog box is open, asking for permission to access the camera and microphone. The "Autoriser" button is circled in red.

Red annotations include:

- A red box labeled "2" pointing to the "Raise Hand" icon in the toolbar.
- A red box labeled "1" pointing to the "Speak" icon in the toolbar.
- Red text: "List of participants" pointing to the "Attendee List" panel.
- Red text: "Chat" pointing to the "Chat" panel.
- Red text: "Notes (minutes)" pointing to the "Note" panel.
- Red text: "To speak : 1) Raise your hand 2) Click on « speak », if a message appears, autorise" with arrows pointing to the "Raise Hand" and "Speak" icons.
- Red text: "Sharing of any type of files" pointing to the "Share My Screen" button.
